Percent satisfied with learning environment	95.4%	95.6%	92.0%
Percent satisfied with social and physical environment	100.0%	87.3%	92.0%
Percent satisfied with school-home relations	82.6%	93.5%	72.0%

*Only students at the highest elementary school grade level at this school and their parents were included.

Comprehensive detail, including definitions of ratings, performance criteria, and explanations of status, is available on www.ed.sc.gov and www.eoc.sc.gov as well as school and school district websites.

Printed versions are available from school districts upon request.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

During the 2013-2014 school year, Lockett Elementary School (LES)provided all students with the instructional resources to help them achieve at higher academic levels. Our faculty and staff focused on each child’s particular learning needs and our parents and community members continued to provide assistance in many areas of our school.

Lockett Elementary students became more involved in computer assisted instruction through the use of BrainPop and IXL. BrainPop provided students with access from home or school in the areas of reading, science, and social studies. IXL is a web-based program that provides students in all grades with activities to challenge their critical thinking skills. The program is aligned with the new Common Core State Standards (CCSS) that will be more rigorous and help our students to be more career and college ready. Our Response to Intervention (RtI) efforts includes the use of Voyager, V-Math, and Leveled Literacy Intervention (LLI) for targeted students.

LES won the Palmetto Gold Award this past year. Our students were involved in community projects: Jump Rope for Heart, March of Dimes, and Make a Wish. LES had several students to receive the prestigious Presidential Academic Achievement Award.

Parents, community members participated in our Fall Festival, PTO student performances, Grandparent’s Day activities, Veteran’s Day activities, Award’s Day programs, Field Day, Mother Son Banquet, and other special events. Community leaders helped with a student mentoring program for some of our young males. This is a program that we hope to expand in the future.

The challenges to overcome in meeting our student achievement goals are decreased funding levels, large class sizes, and limited instructional personnel to assist with interventions. However, everyone involved will continue to provide the best instruction possible based on each student’s individual needs. We welcome your suggestions and your support is always appreciated.

Robert Eubanks, Principal

Jennifer Wimberly, School Improvement Council Chairperson
